

The Recreation Report...

MAGIC SHOW

There will be a Magic Show at the Town Hall auditorium, Tuesday, Aug. 7 at 10:30 a.m. The charge is 50 cents per child, payable at the door. Neither the six to 12 year old nor the four and five year-old program will meet at 9 a.m.; instead children should be picked up at the Town Hall around 11:45. The six to 12 year-old group should bring a lunch with them as they will be walked back to the Osgood Playground at noon, and continue with the Playground Program until the usual 3 p.m. time.

Magician Joseph Carota will perform a number of illusions and tricks for the children's

entertainment. The Magic Show is open to all aged residents and children who are not enrolled in the Playground Programs.

BAND CONCERTS

On Tuesday, Aug. 7, at 7:30 p.m. at the Town Common, the 4th in a series of six 30-piece concerts will be performed by the South Shore Concert Band under the direction of Richard Whitmarsh. The public is cordially invited to attend the free concerts. Please bring folding chairs or blankets to sit on. The concert will end at about 9:30 p.m.

The next performance is scheduled for Tuesday, Aug. 21, at 7:30 p.m., Town Common. The final concert of the

year will be presented Aug. 28, same time, same place weather permitting. In the event of inclement weather, concerts will be made up and re-scheduling notices will appear in the *Mariner* and on local radio stations.

TENTS NEEDED

The Cohasset Recreation Department plans to sponsor a sleep-out for children 10 and older registered in the playground program. The department is in dire need of tents of any type. If you have a tent that you wish to donate or lend, call Jack Worley at 383-6791.

FILM SERIES

Remember: Thursday, Aug. 2, 7:30 p.m., Town Hall, that "Ivanhoe" ends at 9:15 p.m.

On Thursday, Aug. 9, at 7:30 p.m., the sixth film, in a series of eight, will be shown without charge. The movie is called "A Hard Day's Night." Supposedly it's about an average day in the life of the famed

Beatles in the early 1960's.

Younger children must be accompanied by a responsible older sibling, or an adult. The movie ends at 9 p.m. and all children must be collected at that time, promptly.

BALLOON FLYING CONTEST

A few cards have been returned from the Recreation Department Balloon Flying Contest held July 6. Cards traveling (and returned) the farthest to date belong to: Kenny Caristi, who's card was picked up at Long Beach Pond, Brewster. Ben Dean's card was found in Norwell by Elma Stoddard July 8. Colin Knox's card was found, and mailed in by Jay Rattenbury, of 1 Briarwood Lane, Cohasset. Unfortunately, Jay lives next door to Miliken Field from whence the balloons were released. However, thanks should go to Jay for taking the time to mail it in via

his postman dad, Henry Rattenbury.

Also returned was Jay Northnagle's card, which was returned from Harbor Beach in East Dennis. Where the balloons flew south for the most part, it is evident that most went out to sea, passing over, or around the tip of Cape Cod. Only a lucky few made their descent over land masses such as the Cape.

The Balloon Contest itself, devised by Richard Barrow, Recreation Commission Chairman, was extremely successful and will be conducted as an annual playground program event.

There were over 200 youngsters participating. While the Balloon Flying Contest is done in conjunction with the Playground Program, it is not limited to just Playground participants and all residents are invited to participate in next year's flying.
